Welcome to your United Way Campaign in a Flash!

We are super excited to help you coordinate your workplace giving campaign, and want to give you tools and information to be successful.

This handy device was designed to do two things:

1. Make your role easy
2. Save you time

On this drive, you will find easy-to-read documents to answer key questions such as:

- What does United Way do?
- Why is this work so important?
- How can my friends, colleagues and co-workers LIVE UNITED?

Your Campaign in a Flash has been organized into categories to help you easily access whatever you are looking for.

To make things even easier, one of our fabulous United Way Campaign Executives will be contacting you soon to see how they can help you execute your awesome ideas. These fine folks have been trained on all things United Way and are excited to start working with you.

If you have any questions about your Campaign in a Flash (or just want to say hello) please contact Patricia Boyce at 733-8670 x1103 or PBoyce@UnitedWayWhatcom.org

Thanks so much for all you do!
