Kindergarten Readiness Calendar 2021-22
Welcome
Starting Kindergarten is so Exciting!

The calendar contains:
• Ideas for fun things to do that will help your child get ready for school
• Kindergarten registration and other school information
• Books every child should hear before starting school
• Contact information for elementary schools and libraries

Important things to know:
All children are different and learn at their own pace. This calendar will help you plan activities that will help your child grow in the skills needed to start kindergarten. Children do better in school if they know more than just letters, numbers, colors, and shapes. They should have good social and physical skills, and enjoy learning new things. Use the guide below as you work with your child to build those skills and get ready for kindergarten.

How to use the calendar:
The activities in this calendar are designed for 4 and 5 year olds who will be starting kindergarten next year. They will keep your child busy and learning from September to August. Use this calendar as a guide for fun ideas, but make up some of your own activities too. Be sure to include family members and friends. Have a wonderful year together getting ready for the big event – going to kindergarten!

Having fun is an important part of learning!
Your child learns best when doing fun and interesting things with you!

This school readiness calendar was developed by United Way to help you and your child get ready for that special time - kindergarten!

Let your child see that words on paper are part of daily life.
- Make a shopping list together.
- Put your child's name on his things.
- Leave notes for family members.

Help your child practice using scissors.
- Decide where your child will be allowed to use scissors and talk about safety when using them.

Help Your Child Become Aware of the Letters, Words, and Sounds of Language

Teach your child the letters of the alphabet.
- Make cards with one letter of the alphabet on each card.
- Lay out the cards and sing the alphabet song together. Ask your child to touch each letter as you sing.
- Read alphabet books and encourage your child to name the letters he or she recognizes.
- Play "Find the Letter" with your child when you are out shopping.

Teach your child that words have meanings.
- Help your child recognize his or her first name in print.
- Invite your child to "read" the names of familiar stores, signs and products.
- Help your child make a dictionary with some of his or her favorite words listed under each letter of the alphabet. Ask your child to draw a picture next to each word.

Help your child match letters to sounds.
- Tape pictures of items that begin with the same letter on the back of each alphabet card. For example, a picture of a banana would go on the back of a letter "B" card.
- Write down a letter and tell your child the sound that letter makes. Ask your child to name other words that have that beginning letter sound.

Play with rhyming sounds.
- Find different items around the house like a sock, ball or hat. For each item, ask your child to say a word that rhymes with it. Silly words that rhyme are fine.
- Read rhymes with your child. Ask your child to complete rhymes with the correct rhyming word.

Hey diddle diddle. The cat and the __________. (fiddle)
Jack and Jill went up the __________. (hill)

If You’re Happy and You Know It
If you’re happy and you know it, Clap your hands.
If you’re happy and you know it, Clap your hands.
If you’re happy and you know it, Then your face will surely show it,
If you’re happy and you know it, Clap your hands.
(repeat with stomp your feet, shout hurray, peekaboo, slap your knees)

Five Little Ducks
Five little ducks that I once knew,
Fat ones, skinny ones there were too.
But the one little duck with the feather on his back,
He led the others with a quack, quack, quack.
Quack, quack, quack.
Quack, quack, quack.
He led the others with a quack, quack, quack.
Down to the meadow they would go,
Wibble wobble, wibble, wobble to and fro,
But the one little duck with the feather on his back...
(repeat refrain)

Head and Shoulders, Knees and Toes
(throughout, touch the appropriate part of own body)
Head and shoulders, knees and toes, knees and toes.
Head and shoulders, knees and toes, knees and toes.
Eyes and ears, and mouth and nose,
Head and shoulders, knees and toes, knees and toes.

Reach for the Ceiling
(suit actions to words)
Reach for the ceiling, Touch the floor,
Stand up again, Let’s do some more.
Touch your head, Touch your knee,
Up to your shoulders, Like this you see.
Reach for the ceiling, Touch the floor.
That’s all for now, There isn’t anymore.

Wheels on the Bus
The wheels on the bus go round and round,
Round and round, round and round,
The wheels on the bus go round and round,
Round and round, round and round,
All around the town.
The wipers on the bus go swish, swish, swish...
The driver on the bus says “move on back”...
The people on the bus go up and down...
The babies on the bus go “wah, wah, wah”...
The parents on the bus go “sssh, sssh, sssh”...
(adaptions: the horse on the farm goes “neigh, neigh, neigh,” cow, lamb, pig, etc.)

Little Turtle
There was a little turtle,
(make a fist)
He lived in a box.
(put one fist in cupped opposite hand)
He swam in a puddle,
(make paddling motion with hands)
He climbed on the rock,
(climb hands upwards in front of body)
He snapped at a mosquito,
(make ‘snap’ motion with thumb and forefinger on last word)
He snapped at a flea,
(snap on last word)
He snapped at a minnow,
He snapped at me.
(snap at your nose on last word)
He caught the mosquito,
(clap on last word)
He caught the flea,
(clap on last word)
He caught the minnow,
(clap on last word)
But he didn’t catch me!
(point to self and shake head “no”!)
